

IS EDUCATION AT THE POINT OF INFLECTION?:

The 15th Annual Conference of
The Boston Pledge
October 8th, 2:00 – 6:00 PM

Location:
ASEAN Auditorium,
The Fletcher School, Tufts University
160 Packard Ave, Medford, MA

In view of the **difficult choices** civilization is faced with, this conference will bring together **thought leaders** to debate and discuss with the participants how we might *re-imagine curriculums, leverage technologies* so the **basic constructs of future education** could shift from being static & standardized to dynamic & customized.
